Club Reconstruction

by s/c Al Aly

On Saturday September 18, a hearty crew of helpers and professionals including Jim Breher, Frank Paula, Sarah Ferrandini, Ted Adams, Tom Corbett, and Dodd Stange, Al's stand in, pictured below assembled to prepare the area for the contractor.

The crew removed landscape, relocated, capped the irrigation, removed PYC signage and dug out posts and cement. In addition they cleaned out under the structure items that were of no use and disposed them. The ropes were removed under the railings. When

they opened up the decking the extensive structural damage was revealed. It is expected that the demo contractor will begin his work on Friday 9-24-21. Work has been completed. Thank you to the Volunteers!

2021 Petaluma Lighted Boat Parade

Ahoy Members,

Here is the registration information for the Lighted Boat Parade. Jeff Mayne and I will be Co-Chairing the event and we need volunteers. Especially for cleaning up and restoring order to the club after the parade.

We will be sending out an invite for a short event meeting and a list to sign up for volunteer tasks.

SKIPPERS

Kick off the holiday season by joining Petaluma Yacht Club's flotilla! Several thousand citizens line the shore to take in the spectacle.

Please arrive at Marina at 5:30 for a 6:PM departure. Larger vessels may want to stage in the channel near the entrance of the Marina due to depth.

Please monitor Channel 68 and remember the flotilla is organized from largest to smallest vessels.

Please Register at:

https://urldefense.com/v3/__https://forms.gle/

Viewing From The Yacht Club

The parade will enter the turning basin between 6:30-7:30PM. Please help us to efficiently manage this event by signing up and your guests for entry into the club. All people entering the yacht club must show proof of vaccination or proof of a negative COVID test within three days of the event. All children that are not vaccinated will need to wear a mask the entire time while in the club. Removing the mask is only allowed on our deck to drink/eat as long as social distance can be maintained. We are celebrating this event as a club during a pandemic so please be respectful and limit guests you invite to immediate family. Each club member is responsible for their guests which includes cleaning up after their food and bar use (returning cups/plates to bar or trash), spills or any other incident as we are a volunteer club.

If you have any questions please contact Linda Blue linda.a.blue@gmail.com (510)851-4387 or Jeff Mayne (707)536-6161

October Dinner Meeting

By Debbie Powell

What a great turnout this event was and what about the food? It was fiesta night with all the fixin's. Tacos, nachos and burritos. But what about dessert?

Well, if you were there, you would have found some homemade Flan cause it's a Spanish dish, and to go

along with that, there was some bakery mini cakes with yummy flavors to pick from.

A well attended meeting for voting in the Bridge officers with a short meeting following. The bar was kept busy for the night along with our new cash register system taking credit cards.

Keep safe and we will see everyone at the next meeting in November.

BRUCE STENDER - *Commodore*

As I write my last report as your commodore, I am reflecting on what a year it has been. We have faced many challenges this past year and I have done my best to navigate us through some rough waters. I sincerely appreciate all of the assistance and guidance I have received over this past

All of the activity from mariners cruise-ins has been an absolute delight and long overdue. We are finally having some FUN with the boating community! PYC hospitality has been well received and our "Jewel of the Northern California" is once again a prime destination.

I am very honored to have served PYC as Commodore this past year. I am truly in awe of the incredible camaraderie and passion of the members at PYC.

We are all looking forward to many exciting adventures and fun filled activities next year!

Let the adventure continue!

LEANNE GALLUP - *Vice Commodore*

It's been an honor to serve you all as Vice Commodore. It's been so nice to see you and our cruise in guests at

our bar too. Exciting news...We have a new bar safe, thanks to Gerry Reinartz! The code is the same code as our alarm code which makes it simple to remember. Once you enter the code, you can press either A or B and then turn the knob. Easy breezy!

LINDA LOCKWOOD - *Rear Commodore*

The Cruise In season is winding down - yet we still have clubs planning to come up to Petaluma and PYC in late December. The 2021 turning basin cruise in schedule has been chalked full most weekends. Over 50 plus yacht clubs

half a dozen times with a promise of more to come. The rebirth of boating activity and socializing around our river has felt so darn good! I am so grateful to have been able to support it along the way.

It has been a privilege to be your Rear Commodore. I've learned a lot, made many new friends, and hopefully put Petaluma's best foot forward to the boating community at large, as our dredged river, fair City and PYC reopened and welcomed mariners from far and wide.

As my old salt sailing Dad used to say - Respect the water - and when you need some perspective, JUMP IN!

Cruise in Calendar:

November

6-7 Bayview Boat Club - 1 boat

December

30 - 1/2 SFBA Nordic Tug Assn. - 12 boats

and individual mariners have visited since January, bringing 350 plus boats in all shapes and sizes with them! The docks were continually buzzing and the club was "spirited" shall we say, on many of those weekends! A special thanks to our "Greeters" Tom & Linda Corbett, for making all our visitors feel at home upon their arrival with community packets and a welcoming visit on the dock. Thank you too, to the bartenders on those crazed weekends, as well as those stopping by the club to host our guests with access to showers and of course all those other fun filled shenanigans on the docks! Additionally, I'm happy to report that as the pandemic ebbed and flowed over the summer and fall, the PYC rental schedule has begun to show life again. We've rented our club house out @
